

Benefits Overview

Offered by the ITD Human Resource Department

The Idaho Transportation Department offers employment in over 1800 positions statewide, in many diversified fields of work, both professional and para-professional.

Examples of ITD professions include:

- professional engineering (construction, maintenance, traffic, bridge and roadway design, materials)
- engineer-in-training
- management
- accounting/budgeting/auditing
- information systems
- aeronautics
- secretarial/clerical/administrative
- geographic information/mapping technology
- transportation planning
- training
- purchasing
- crafts/trades
- environmental planning
- right of way
- research
- technicians (inspection, survey, maintenance, materials, design, traffic)
- archaeology
- electronics
- chemistry
- geology
- public information

Candidates for some positions may be offered reimbursement for moving expenses when asked to relocate to accept a position with the department.

The State of Idaho offers a competitive benefits package which is equal to 24.26% of the total salary. Additionally, the state pays \$7040.00 annually for each full time employee's medical benefits.

Leave Benefits: Based on Full-Time Service

Vacation Leave

All benefited employees are entitled to vacation leave based on their Fair Labor Standards Act (FLSA) classification:

- Executives (E) = .09615 per hr paid (25 days per year*)
- Admin (A), Professional (P), IT Professional (I) = .05769 per hr paid (15 days per year*)
- Covered (C) = .04615 per hr paid (12 days per year*)

Rates increase at 5, 10 and 15 years of services (based on hours) for A, P, I, and C employees. Each vacation level has a maximum accrual allowed. Vacation balance is paid off upon separation of state service.

Holidays

The State provides ten paid holidays throughout the year. If a holiday falls on a normally scheduled day off, another day of paid leave will be given.

Flexible Schedules

Some sections in the department have the ability to offer flexible work schedules as long as the employee is at work during specified core hours.

Sick Leave

Full time employees earn .04615 per hour paid of paid sick leave. Sick leave accrues without limit and may be used for funeral or illness of family members.

* 1 year is based on 2080 hours

Health Benefits

Health Insurance is effective on the first of the month following hire. The State pays \$681.26 for medical and \$22.07 for dental per employee per month.

Health Insurance Premiums

Monthly Blue Cross Costs*	PPO	Traditional	High Deductible	Dental
Employee	30.00	37.00	24.00	7.75
Employee & Spouse	77.00	94.00	65.00	36.25
Employee & Child	52.00	65.00	43.00	30.50
Employee & Children	71.00	86.00	59.00	46.50
Employee & Spouse & Child	96.00	117.00	81.00	51.75
Employee & Spouse & Children	109.00	131.00	91.00	59.75

*Additional costs for part-time employees

Premium Only Plan (POP)

A tax savings for employees; the cost of medical and dental coverage is deducted from gross pay before taxes are calculated, therefore reducing taxable income. This is an optional plan.

Flexible Spending Account

Employees may elect to save money by paying for eligible health care and dependent care expenses on a tax-free basis, thus reducing Federal Income and Social Security Taxes. This is an optional plan. 10-month minimum waiting period before you can enroll.

Employee Assistance Program (EAP)

- Provided for all employees. Employees and dependents that are eligible for benefits but who are not enrolled in one of the state's medical plans are also eligible for five EAP visits per plan year.
- Up to 5 one-hour sessions per family member each contract year.
- No out of pocket co-payment.

Mental Health Benefit

The plan integrates mental health, substance abuse and Employee Assistance Program (EAP) services.

- Employees and dependents that are enrolled in one of the state's medical plans are eligible for up to 30 outpatient visits or 8 days of inpatient treatment stays per plan year.
- Increased Medical Mental Health benefit for specific conditions.

Wellness Programs

The State of Idaho's Wellness Initiative offers state employees, retirees and dependents three programs under the administration of Blue Cross of Idaho.

Blue Cross of Idaho Well Connected Program

Well Connected is an interactive online program featuring a Personal Health Assessment tool, an online health encyclopedia and comparison tools which allow members to compare drug costs and potential interactions, among other features.

Tobacco Cessation

Free tobacco cessation counseling offered through the Idaho Quitline. The program provides pharmaceutical quit aids to tobacco users who enroll in the program for a \$10 co-payment.

Just for ITD employees...

The ITD Wellness Program promotes a healthy lifestyle. Offerings include health risk appraisals, blood screening, flu shots, fitness evaluations, weight-management and health fairs, nutrition education, and participation in the annual Transportation Fitness Challenge.

Other Health Related Benefits

Family Medical Leave

The Family Medical Leave Act entitles eligible employees up to 12 weeks in a 12 month period of paid or unpaid, job protected leave for specific family and medical reasons.

Leave Donation

Annual leave may be transferred from one benefited employee to another in the event of a serious illness or injury of the employee or family member, which necessitates absence from work.

Life and Disability Insurance

Basic Life Insurance

- Coverage is effective at the beginning of the month following hire.
- Equal to the annual salary or \$20,000, whichever is greater.
- A \$2,000 life insurance policy for your spouse at no charge.
- A \$1,000 life insurance policy for each of your dependent children at no charge.

Supplemental Life Insurance

- 30 day enrollment period at the time of hire.
- Coverage equal to the employee's salary, rounded to the next higher thousand. Available until age 70. The premium cost is age/salary based.

Short Term Disability Insurance

- Benefit pays 60% of salary for the first 26 weeks of disability, less a 30 day waiting period.
- This is a no cost supplement to the Basic Life Insurance.

Long Term Disability Insurance

- Benefit pays 60% of salary for two years when employee is totally disabled from performing their occupation.
- Benefit continues to pay 60% of salary after two years if the employee is totally disabled from performing any occupation for which they are qualified.
- This is a no cost supplement to the Basic Life Insurance.

National Conference on Public Employee Retirement Systems (NCPERS)

- This plan offers low cost, group decreasing term life insurance with additional coverage for accidental death and dismemberment and life insurance for spouse and dependent children.
- 90 day enrollment period at the time of hire.
- Open enrollment every fall.
- This plan can be converted upon leaving state service.

Retirement and Investments

Public Employees Retirement System (PERSI)

- Base Plan-Employees contribute 6.23% of gross salary, using pre-tax dollars. ITD contributes 10.39 % of gross salary to the retirement account.
- Employees are fully vested after five (5) years of service.

NRS Deferred Compensation Program (457) & PERSI Choice Plan (401K)

- Employees contribute pre-tax dollars to a wide variety of managed mutual funds, bonds, and annuities.
- Funds may be 'rolled over' when leaving state service.

Idaho College Savings Program (IDEAL)

- Employees contribute a minimum of \$25.00 per pay period to a variety of investments.
- Contributions are tax-deferred and can be deducted on annual taxes.

About Your Pay:

Pay Days & Direct Deposit

- The state is on a bi-weekly pay system. After the first check, check will be received every two weeks on Friday.
- The state requires direct deposit. Direct deposit saves time and money.
- Paperless pay stubs are viewed on the State Controller's website.

Transportation Credit Unions

- ITD employees can join the ICON, PocaHy, and Idaho Central Credit Unions
- Each credit union is a legal corporation with a non-profit charter to serve current and former employees of the state.
- The credit union focuses its services on savings and investment programs, and loans for nearly any purpose.
- Interest rates are generally more attractive than at other financial institutions, and in some respects, qualifying for a loan is easier.
